The Writer in the throes of his creative quest for the perfect ending to his romance novel number five. What does "happily ever after" even look like? Has anyone seen it? Like a Sasquatch, allegedly observed by many but never captured, the reality of marital happiness can be fragile and illusive. Luckily, the Writer is not bound by the mundane. A stint at North Pole as

meteorologists, perhaps? Or as a heroic crew of a NASA spaceship to Saturn? Is there an answer to this conundrum of a married couple being happy together for a long time? Is there such thing as happily ever after? Can we at least think of a happy end to a fictional romance novel?
