ABOVE THE BLUE HORIZON — Poetry by author and artist Eric Olander
Eric's three small poetry books — Beaded Sky, Before the Arcade, and Comfort in the Wind — are presented here under one title for the first time. A youthful spirit helped Eric rise above isolation while recovering from ill health and facing the challenges of the 2020 global pandemic. Eric, like so many others, endured both physical pain and a heavy sense of separation. These events became the springboard for Eric's poetic journey, full of humor and thoughtful reflections.

It started with six poems and four simple words: Bigger, Faster, Brighter, Blue. Now you can join Eric on this inspiring journey. You just never know where it may lead.
