These stories provide a refreshing alternative to the traditional portrayal of heroines in romance novels, showcasing curvy women who are unapologetically proud of their bodies and personalities. The Men of Valor MC series takes this concept to new heights, delivering captivating tales filled with passion, love, and danger.

The series revolves around the Men of Valor Motorcycle Club, a tight-knit community of bikers who operate on the outskirts of society. Led by their fearless president, Jackson "Jax" Reynolds, the club functions as a brotherhood, offering protection and loyalty to their own. But when they cross paths with the women who capture their hearts, their lives take an unexpected turn.

June

I've been a "good girl" all my life. As the only female in a long line of police officers, toeing the line is pretty much in my blood, even it's meant giving up things I've always wanting. Specifically, one thing I've always wanted:

Matthew Simms. Or, as he's known in his motorcycle club, Knight. Because, yeah, that's how off-limits he is.

Even if he wasn't off limits, he'd be out of my league. Former Army ranger, current tattoo artist, member of a MC, Knight has known me forever and sees me as nothing more than his former best friend's kid sister. To him, I'm nothing more than a pest. A dorky goodie-two-shoes.

But when I stumble upon information that could bring down a dirty cop, Knight is the only one I can turn to. I know he won't turn his back on me when I need him. He can keep me safe, but will he break my heart?

Knight

Everyone thinks June is a the perfect cop's daughter. They see her sweet nature, her ambition, and her determination to help others. I see all of that and more. I see her humor and sass and sexy curves. I've wanted to make her mine for years, but I know she deserves a better life than one I can provide. So I keep my distance, no matter what.

When she puts herself in danger to help bring down a dirty cop and to protect my motorcycle club? All bets are off.

Despite my nickname, I'm no knight in shining armor. I will do everything in my power to keep her safe, but when she kisses me, I'm not strong enough to resist her any longer.

The only question is this once I know she's safe, will I be strong enough to walk away?

This month 24 of your favorite short and steamy authors have come together to bring you a new motorcycle romance each day! The Men of Valor are more than ex-military bikers – they know what it means to go the distance for love.

Hop on the back of a bike and hold on tight to your new book boyfriend – it's gonna be one hell of a ride!
