The spellbinding sequel to “Powers That Be,” by Hugo and Nebula Award-winning authors Anne McCaffrey and Elizabeth Ann Scarborough.

The natives of Petaybee claimed their planet was sentient, but the officials of Intergal did not believe them . . . or want to believe them. The planet was rich in valuable ore, and Intergal was determined to mine that ore no matter what the cost. Yanaba Maddock, once a company spy, was adopted by the planet and its people as one of their own. Now her loyalties are to Petaybee, not Intergal, and she is dedicated to keeping Intergal from killing the world she has come to love. But without proof of the planet's sentience, Intergal will proceed with its mining operations. Can Yana find a way to convince Intergal of Petaybee's sentience before it is too late?
