When an experimental starship test goes horribly wrong, a scientist from Earth finds herself fighting for her survival, and her only lifeline is a wild, powerful alien king.

Waking on an alien world, wracked by pain, Dr. Poppy Ellison is confused and adrift...until his voice calls to her in the darkness. The big, wild, enthralling man reveals that she's been infected and is turning into an alien shapeshifter. Poppy has always been smart, practical, and boring, but with her entire life turned upside down, there is no one she can trust...except for this alien wolf.

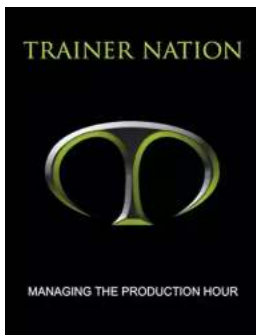

Emperor Brodin Damar Sarkany is king of Damar and its shapeshifters. As wild as the forest city they call home, the Damari can be volatile, always fighting to control the wolf inside. Brodin uses his immense strength to keep his people in check and protect them from the most dangerous evil of all—his war-mongering father. He can't afford the distraction of a small, tantalizing woman from Earth, even when everything about Poppy sings to the instincts of both man and wolf.

As his father's ruthless warlord attacks, innocent children are at risk, and Poppy knows she has to help by mastering her new, emerging abilities. She must also face the shocking passion that explodes between her and Brodin. But as Poppy and Brodin hunt down the enemy, they uncover a plot that could mean the destruction of all the Damari...if they don't stop it in time.
