

Experience the Soul-Stirring Masterpieces: Collection of Poems By Darlene Allen

It was a summer evening,
Old Kaspar's work was done,
And he before his cottage door
Was sitting in the sun,
And by him sported on the green
His little grandchild Wilhelmine.
She saw her brother Peterkin
Roll something large and round,
Which he beside the rivulet
In playing there had found;
He came to ask what he had found,
That was so large, and smooth, and round.

Unleash the power of words and embark on a journey through the ethereal landscapes of Darlene Allen's captivating poems. With an incredible knack for capturing the essence of human emotions, Allen's collection of poems is a treasure trove of soul-stirring masterpieces.
