“You can make this all go away. All you have to do is do what I say, and all of this can go away.”

Being under the control of one man, all Nikki Jennings wanted was to pay off her father’s debt and get as far away as possible from Carlos Giordano. When a tragic accident from her past surfaces, she finds that his hold on her will never be over. As complicated as her life was, it was hers until Alpha-male Sly Capelli entered it. She knew the closer she got to him, the greater the risk would be that he would find out about her past. A past she wanted to forget.

Sylvester ‘Sly’ Capelli never thought a woman could be so stubborn and irresistible at the same time until he met Nikki Jennings. There was something about her that he needed to know about, only every time he tried to get close, she would push him away. Wanting to know the truth behind the woman he was falling for, Sly finds her past was no different from his. Keeping her safe was the only thing he wanted to do, but when obstacles get in the way, there was no other choice but to call on his brothers at Jagged Edge Security to help him out. Will Sly be able to get to her in time before she is gone forever?
