One of the highlights of the Butterfly Effect Boggy Creek Valley is the meticulously designed butterfly garden. This botanical masterpiece houses a variety of plants that serve as a haven for these majestic creatures. Marvel at the intricate patterns on their wings as they delicately perch on vibrant flowers, sipping nectar and pollinating the surrounding vegetation.

But it's not just butterflies that call this valley home. Explore the diverse ecosystem that exists within its boundaries, and you'll encounter an array of species - from colorful birds soaring through the sky to elusive mammals hidden among the lush vegetation. Capture these unforgettable moments with your camera, as you become a witness to the wonders of the natural world.

For the avid hiker, the Butterfly Effect Boggy Creek Valley offers an extensive network of trails that cater to all levels of experience. Lace up your hiking boots and venture deep into the heart of this wilderness. Follow the sound of babbling brooks as you traverse through enchanted forests, cross wooden bridges suspended above crystal-clear streams, and ascend to breathtaking lookout points that offer panoramic views of the entire valley.

As the sun sets, the valley transforms into a magical wonderland. Witness the delicate dance of fireflies illuminating the night sky, casting a mesmerizing glow over the landscape. This is a sight that will leave you in awe, as nature puts on its own breathtaking light show.

But the Butterfly Effect Boggy Creek Valley isn't just for nature enthusiasts. It offers a range of activities for visitors of all ages. Set up a picnic amidst the picturesque surroundings, and indulge in a leisurely feast while being immersed in nature's embrace. Or, for a more adrenaline-fueled experience, zip line high above the treetops, feeling the exhilaration of flying as you soak in the breathtaking panorama that unfolds beneath you.

At the Butterfly Effect Boggy Creek Valley, there is something for everyone. Whether you seek solace in nature's embrace, embark on an adventure-filled exploration, or simply want to create lasting memories with your loved ones, this hidden gem offers it all.

So, pack your bags and head to the Butterfly Effect Boggy Creek Valley. Unlock the secrets of this natural wonderland and allow yourself to be captivated by its beauty. It's time to escape city life and discover the transformative power of nature's butterfly effect.

The butterfly effect — one small change, one moment in time that impacts the future.

At twenty-six years old I never dreamed I'd walk in on my husband in bed with my best friend. At twenty-seven years old I found myself divorced, and the mother of a one-year-old son. Never mind I was learning to take the reins of my family's apple orchard business. There was no way my life could be any more complicated...or so I thought.

Can a woman who's lost all trust in men help a man who can't even trust himself?

Aiden O'Hara was my brother's best friend, and I would be remiss if I said I hadn't always found him utterly attractive—and the passing of time or circumstances didn't change that. But when he moves back to Boggy Creek Valley after serving his time as a Navy SEAL, I cannot deny the pull I feel between us.

Aiden is haunted by his own demons—demons that seem bigger than the both of us—and my heart warns me to stay away. I'd been burned already and didn't need that added complication in my life, or so I thought. But one moment in time changes everything between us, and neither one of us can deny the hidden feelings we share.

Our pasts want to keep us apart...our future will be up to the wings of fate.

The Butterfly Effect is book one in the Boggy Creek Valley series and is a stand-alone novel.
