New York Times bestselling author Michelle Sagara returns to the city of Elantra with a thrilling tale rife with ancient magic, assassination attempts and political intrigue.

Private Kaylin Neya already has Dragons and Barrani as roommates. Adding one injured, flightless Aerian to her household should be trivial.

Sure, the Aerial is Sergeant Moran dar Carafel, but Kaylin's own sergeant is a Leontine, the definition of growly and fanged. She can handle one Aerial.

But when a walk to the Halls of Law becomes a street-shattering magical assassination attempt on the sergeant, Kaylin discovers that it's not the guest who's going to be the problem: it's all of the people who suddenly want Moran dar Carafel dead. And though Moran refuses to tell her why she's being targeted, Kaylin is determined to discover her secret and protect her at all costs—even if keeping Moran safe means dealing with Aerial politics, angry dragons and something far more sinister.
