## Discovering The Okinawa Alphabet

The Okinawa Alphabet, also known as Okinawan syllabary or kana, is a beautiful and intricate writing system that has been used to write the Okinawan language for centuries. Created in the 16th century by Siochu Chibana, it represents the rich linguistic heritage of Okinawa.

The characters in The Okinawa Alphabet, known as kanji, combine to form syllables rather than individual sounds. Each syllable represents a Mori, a unit of meaning in the Okinawan language. It is remarkable how this alphabet has preserved the essence of Okinawan culture and language throughout the years.
