The two exchanged a brief glance, and Nicola could feel a spark of connection between them. However, before she could approach the stranger, an unforeseen circumstance interrupted their moment.

Chapter 2: The Missed Connection

As fate would have it, Nicola's phone rang just as she was about to make her move. She hesitated, not wanting to miss this potential opportunity, but ultimately answered the call.

The conversation on the phone seemed to stretch into eternity, and when Nicola finally ended it, the stranger had vanished into the throngs of people. She searched desperately, scanning every face, but he had disappeared as if swallowed by the city itself.

Days turned into weeks, and Nicola couldn't help but think about the missed connection. She wondered what could have been and regretted not seizing the moment. The mysterious gentleman haunted her thoughts, becoming an unattainable mystery she yearned to solve.

Chapter 3: Lifelong Searching

Determined not to let their encounter be forgotten, Nicola embarked on a lifelong quest to find the man who had stolen her heart within seconds. She filled journals with descriptions of his features, hoping that one day her words would lead her to him.

Nicola traveled far and wide, visiting every city she could, attending social events, and even relocating to the bustling metropolis of New York. She hoped that fate would bring them together again, just as it had done that fateful day in London.

Years turned into decades, and Nicola's determination never wavered. She became an old woman, with silver hair and deep wrinkles etched on her face, yet her spirit remained as strong as ever. She knew that her search might never end, but the hope in her heart kept her going.

Chapter 4: The Serendipitous Reunion

One gloomy autumn afternoon, Nicola found herself sitting alone in a quaint café, sipping her coffee. As she gazed out of the window lost in her thoughts, a familiar smile caught her eye.

It was him, the man she had spent a lifetime searching for. Time seemed to stand still as their eyes met, and both felt an overwhelming sense of

recognition. They exchanged nervous smiles, unspoken words filling the space between them.

Without hesitation, Nicola gathered her belongings and rushed outside, heart pounding with anticipation. As they embraced, tears of joy streamed down their cheeks. They had found each other again, against all odds.

Chapter 5: Love That Truly Lasts

Nicola and the mysterious gentleman's reunion was just the beginning of a new chapter in their lives. They realized that their connection was not just a fleeting moment but something deeper and profound.

As time went on, they shared their stories, discovering that their lives had taken parallel paths, always gravitating towards each other. It seemed that fate had guided them both, ensuring that their missed kiss would eventually find its way back to them.

Nicola and her beloved gentleman spent the remaining years cherishing every moment, making up for the time they had lost. Their love became a testament to the power of true connections, a reminder that sometimes fate has a way of bringing souls together, no matter the circumstances.

And so their story ends, with Nicola and her mystery man living out their days as a testament to love's endurance. The missed kiss that once haunted Nicola's dreams became a symbol of hope, reminding us all that fate may intervene, but love can always find a way.

I didn't expect a romance novel to be this delightful and intriguing. The Missed Kiss by Nicola Lowe is a fantastic emotionally-charged novel about finding the courage to love and to let someone love you after being hurt. It's a gorgeous and engrossing novel I won't soon forget as it's told with both heartbreaking care and vivid detail. Nicola Lowe is clearly a talented writer who excels at creating love triangles. I fell in love with the characters, and to my surprise, I could not choose which one I would prefer: Zack or Luke. Nicola Lowe's writing is so intelligent and gripping. I know that my next read will be the sequel, To Kiss You Again, as I'm anxious to discover which life Lily has chosen.
