The program was conceived in the aftermath of a devastating terrorist attack which shook the world to its core. Governments agreed that the conventional security measures were insufficient, and thus, the Nemesis Program was born. With its vast resources and multinational collaboration, the program became a beacon of hope in the face of chaos.

Becoming Ben Hope

Benjamin Hope, once an elite soldier of the SAS, found himself drawn into the world of the Nemesis Program after a personal tragedy. Haunted by his past, Hope combined his exceptional training, intuitive intelligence, and a burning desire for justice to become an unstoppable force.

As a protagonist, Ben Hope embodies the qualities readers admire most in a hero. His rugged good looks, a sense of honor, and loyalty captivate

readers from the very first page. But it is his relentless drive and his vulnerability that truly sets him apart from other characters in the genre. Beneath the surface, we see a man grappling with his past, determined to make a difference in the world.

Into the Action

Each adventure in the Ben Hope series takes readers to different corners of the world, providing a thrilling mix of suspense, danger, and historical intrigue. From the picturesque streets of Paris to the heart of the Amazon rainforest, Ben Hope's missions showcase Mariani's unparalleled ability to create vivid settings that transport readers to unfamiliar territories.

The adrenalizing plot twists and heart-pounding action sequences guarantee that readers will be unable to put down any book in the Nemesis Program series. With each page turn, Ben Hope finds himself facing insurmountable odds, racing against time to save innocent lives or uncover hidden secrets that could change the course of history.

Themes of Redemption and Justice

While The Nemesis Program provides plenty of thrills and spills, Mariani explores deeper themes of redemption, justice, and the human capacity for change. Alongside the gripping action, readers embark on a journey of self-discovery with Ben Hope, witnessing his growth as he confronts his demons and strives to find a sense of purpose.

The character of Ben Hope serves as a constant reminder that even in the darkest of times, individuals can rise above their circumstances and make a difference. It is this inspirational quality that resonates with readers,

drawing them into his world and leaving them hungry for the next installment.

The Legacy Lives On

Throughout the Nemesis Program series, Scott Mariani has crafted a powerful and enduring character in Ben Hope. With each new installment, readers eagerly await the next thrilling chapter in Hope's life. The Nemesis Program has become a global phenomenon, captivating fans with its blend of heart-stopping action, thought-provoking themes, and memorable characters.

So, if you're ready for a pulse-pounding adventure that will keep you on the edge of your seat, immerse yourself in the world of Ben Hope. Explore the depths of the Nemesis Program and witness the unstoppable force that is Ben Hope.

FROM THE #1 BESTSELLING AUTHOR

‘Deadly conspiracies, bone-crunching action and a tormented hero with a heart . . . packs a real punch’ Andy McDermott

A BRUTAL MURDER.

A SCIENTIST ON THE RUN.

A PLOT TO KILL MILLIONS.

While secretly researching the bizarre discoveries of Serbian scientist Nikola Tesla many years earlier, physicist Claudine Pommier becomes the victim of a remorseless and cruel murderer who breaks into her Parisian apartment. Is he just a serial killer, or is there more to her death than the Paris cops believe?

Maverick American biologist Dr Roberta Ryder receives a mysterious letter from her friend Claudine and travels to Paris to see her, only to learn of her shocking death. Before she knows it, Roberta becomes the target of ruthless men with a deadly agenda that only the letter can unmask. She’s alone and vulnerable. But she knows someone – the only someone – who can help her.

Ben Hope, ex-SAS soldier and Roberta’s old flame, now trying to retire to a life of peace with his fiancée Brooke, suddenly finds his life turned upside down by Roberta’s sudden arrival in England. She needs his help; he can’t turn her down. In a frantic race to Paris and halfway around the world, Ben and Roberta battle to uncover the mystery of Claudine’s research, with the killers just half a step behind. In the process they uncover a global conspiracy that will claim the lives of millions of people . . . unless Ben can stop it.
