She spent her life working for this career. But is it the future she really wants?

Smart, hardworking, and at the top of her game, Ruby is a cut-throat corporate businesswoman who pours her heart into her job. Despite growing up in a small town, her dream was always in the city – and she spent her entire life studying so she could escape and make it big.

And after she bumps into Lucas, the boy she was madly in love with in high school, it forces her to face old memories that she'd long-since buried.
